

# Fireside Chat at Camp WaNoKi

May 10 7-9 pm

S.O.A.R. (Saving Our Avian Resources) will be bringing a live raptor for an exciting evening around a campfire. Starting at 7:00, a raptor expert will help us gain a better understanding of these amazing birds that live around us.

Following the program, a guided fluorescent tracking night hike thru the river valley will be offered.

Bring a bag chair, comfy hiking shoes,  
and a friend or family members.

Mark your calendar for future Fireside Chat nights. Bring family and friends for an educational evening around a campfire on the 2nd Thursday of the month.

June 14  
July 12  
August 9  
Sept. 13  
Oct. 11

Be watching for a complete list of monthly Fireside Chat programs coming soon.....
